List class choices by (1) day preference and (2) assign an overall preference number. If you do not specify an overall preference, classes will be assigned in sequential order from first to last class listed. For first day registration submissions, class assignments are made by processing all overall preference 1st choices, and then everyone's 2nd choice and so forth until everyone's schedule is filled. Be sure to include alternate choices for each time slot in the event the class is filled when your choice is processed. You may use all the allocated spaces for class selections. **Making only a few selections does not insure that you will be assigned a class.** You will not be assigned to classes that overlap. List only classes that you are willing to take. You may **not** cancel classes once assigned.

You must be an MBG member for membership year January 1, 2017 to December 31, 2017 to attend the Convention. If you are not a member or wish to renew for next year, include membership or renewal form and dues with your registration.

Registration forms postmarked before or on **May 15, 2017** are treated as first day registration. Postmarks after May 15 are accepted according to postmark date and classes are subject to space availability. Please mail your registration as soon as possible. **Final registration cutoff is June 20, 2017.** The \$25.00 registration fee does not include class fees, which are due upon your class assignment notification.

**You must enclose the following:** (a) **Registration Form with signed waiver**, and (b) **one check for total made out to MBG Convention**. Do not send any class fees at this time. Also, include as applicable (c) **business size self-addressed stamped envelope**, (d) **Logo Order Form**, (e) **Membership Form**
