

SPACED OUT FRUIT BOWL

Dimensions: 6"D at base, 11.5"D at top, 7"H

MATERIALS:

Staves: 1/4" FO natural, cut 44 @ 9"
Weavers: 1/4" FF space dyed
 #1 RR natural
 1/4" FF natural
 #3 RR natural
Rim: 3/8" HR
 3/8" FO
 seagrass
Base: large cane or 1/4" FO natural
 6" round slotted

BASE:

Insert the 44 staves evenly around the base. Glue the staves into the base if desired. With #1 RR natural, do 4 rod wale (over 2, behind 2) for 4 rows. With 1/4" FF natural, do Over-Under for 1 row, bending up the sides.

WEAVING: (start-stop) Slightly flare the sides.

Row 1: 1/4" FF space dyed

Row 2: 1/4" FF natural

Repeat these two rows 7 times. The final diameter should be 11"-12".

Row 17: 1/4" FF space dyed

Weave step-ups for the triple twine and reverse triple twine rows. Sides should go straight up.

Row 18: #3 RR natural, triple twine.

Row 19: #3 RR natural, reverse triple twine

Row 20: #3 RR natural, triple twine.

Row 21: #3 RR natural, reverse triple twine

Row 22: 1/4" FF space dyed, match row 17 for over-under pattern

Row 23: 1/4" FF natural

Row 24: 1/4" FF space dyed

Row 25: 1/4" FF natural as hidden rim row

Pack. Cut and tuck.

RIM:

Use 3/8" HR for the outside rim and 3/8" FO for the inside rim. Seagrass is the rim filler. Lash with cane or 1/4" FO.
